IMPORTANT NOTES:

ORDER AS SOON AS POSSIBLE: This is not a grocery store. Your deposit covers the costs of the animal which we custom raise for you. Don't wait until the month you want to place an order as there can be a several month delay.

Reservations are filled on first-come, first-serve bases based upon receipt of deposit and cut-sheet.

You will be contacted when we receive your reservation and again on butcher day with the final charge. Final payment must be received within 2 weeks of billing or your deposit and meat will be forfeited.

Finish Dates are not guaranteed. Animals will finish in their own time, and we do not butcher on a schedule.

Beef is produced without any implied or expressed warranty. Our goal is to produce quality meats via humane, natural methods. However final product quality is also affected by factors outside our control including genetics, butcher handling, consumer preference, and chance. We cannot guarantee final product quality.
